

# Paul, Steve and Amber are coming to the Climb Project at Wheatley Hill Primary School

# What happens when I come to school?

Some of you will come to school by minibus, like Paul and Amber do. Kind helpers will look after you from when you get on the bus until you get to school. Your teacher will meet you from the minibus.

Some of you will come to school with your grown-ups. Steve comes to school with his dad. His dad brings him to the main entrance of the school where his teacher is waiting to take him to his classroom.

“Hello, Steve,” says his teacher. “We are going to have lots of fun today.”

You will hang up your coat and bag on your own special coat hook in the corridor, like Steve is doing.

Your teachers will help you find your photo. You will put your photo on the ‘Zones of Regulation’ area to show how you are feeling that day. Your teachers care about you a lot so they will check how you are feeling at different times during the day. Today, Steve is feeling happy so he will put his photo in the Green Zone.

Then you will do some activities that your teacher has chosen, just for you.

How are you feeling today?

# What will my lessons be like?

Laura and Steve are playing with bubbles.

You will have lots of fun learning and making friends at the Climb Project.

Some of you will spend the morning with your friends in your Base Classroom. Your teachers will give you lots of brilliant learning activities which are just right for you.

Some of you will also spend some time with your year group class. A teacher will be with you to give you all the help you need.

You will have lots of fun learning and playing and making new friends.

Amber is having some quiet time with a book.

Amber is having fun bouncing.

Paul is learning how cogs work.

Steve is doing some number work with his teacher.

You will learn English and maths and lots more. When you have done the activities that your teacher has given you, you will love choosing activities from your 'Choice Box'.

What do you like doing with your friends?

# What other activities will I do?

There are lots other of fantastic activities you will do.

Steve is playing with the toys in a sensory area. He loves it when the lights change colour.

Amber is climbing on the outdoor equipment with her friend, Anish.

You will learn about nature in our brilliant forest School. Steve and his friends have had lots of fun outside and are having hot chocolate with marshmallows.

Steve is playing in the Ball Pit and Sensory Room.

Paul is having fun in the hall, playing and exercising with his friend, Katie. They are jumping in the big Soft Play area.

What activities are you looking forward to doing?

## What if I am hungry or thirsty?

You can have a snack and a drink in the morning. At lunchtime, you will sit with your friends and your teacher to have your meal together at the Big Table in your classroom. You can have a school meal, or your grown-ups can give you a packed lunch. Your teachers will give you any help you need. Lunchtime is peaceful and calm, but you can also wear ear defenders if you want to.

When you have finished your meal, you will have playtime.

8 What is your favourite meal?

## What happens if I need the toilet?

Your teachers will remind you to use the toilets at snack time, break and lunchtime, but you can go whenever you need to. When you need to go, tell your teacher or show them the visual card. The toilets are close by as they are in the corridor near your classroom. They are very easy to use.

If you need help, your teacher will go with you and there will be lots of visual cards on the walls and doors to remind you what to do.

Amber has remembered to flush the toilet and is washing her hands with soap and water.

She sings "Happy Birthday" twice while she washes her hands to make sure they are nice and clean.

9 Do you sing a little song when you wash your hands?

## What happens at the end of the school day?

When it is nearly home time, you will have circle time with your Base Group friends. You will talk about your day and what went well and what didn't. Your teachers will ask you about your feelings and help you feel better about any problems you may have had during the day.

Steve is telling everyone about how much he loved Forest School.

**"My favourite part was the hot chocolate!"** he says.

Your teacher will write in your 'Home/School Diary' which tells your grown-ups about what you have been doing at school. Sometimes your teacher will even put photos in it.

Your grown-ups can also use the diary to send messages to your teacher.

At home time, your teacher will get a message on the classroom phone to tell them that your transport or grown-ups are at the school to collect you. Your teacher will take you to the main entrance where the adults who are there to collect you will be waiting to meet you.

**"Hello, Dad,"** says Steve. **"I have had so much fun today! I can't wait to come back tomorrow."**

Are you looking forward to coming to the Climb Project at Wheatley Hill Primary School?

Steve, Paul and Amber love coming to the Climb Project at Wheatley Hill Primary School and they think you will too!
